

Wheat Ridge Animal Hospital

Veterinary Student Externship Program

3695 Kipling Street · Wheat Ridge, CO 80033 · 303-424-3325 · www.wheatridgeanimal.com

Please contact us at wrahinternship@wrah.com for more information.

Welcome to our externship program! Our goal is to allow you to experience each area of our hospital, expand your veterinary experience and meet as many of our clinicians as possible. We believe that you get out of our externship what you put into it. Therefore, we encourage you to ask questions, become involved in cases, and get to know us. We have developed a schedule to help you reach these goals.

On Day 1, please be present for hospital rounds. These start at 8 am every day, with the exception of Tuesday when they start at 7 am, and take place in the upstairs conference room. After rounds one of our staff doctors will give you a hospital tour and discuss your schedule. Every extern needs to get their picture taken during their visit.

Extern 1:

Monday	am - Internal Medicine pm - Internal Medicine/Diagnostic Imaging
Tuesday	am - Surgery pm - Diagnostic Imaging
Wednesday	Emergency/Critical Care (2pm – 10pm)
Thursday	am - General Practice pm - GP/ Diagnostic Imaging
Friday	am - Internal Medicine pm - Surgery

Extern 2:

Monday	General Practice
Tuesday	Emergency/Critical Care (7am – 6pm)
Wednesday	Surgery
Thursday	Internal Medicine
Friday	Diagnostic Imaging

Visits less than one week:

Your schedule will be determined based on your interests and availability. See one of our Internal Medicine doctors to set up your schedule.
